NA=Not assessed (as of yet)

Note: There were several retirements since the very first assessments (August 2016). Retired inspectors/officers remain on the matrix (as retired personnel) so that they can also be called upon (as SACBM experts) by COSCAP SA to assist other States.

NOTE: As of January 2018, a total of 183 inspectors/officers had been assessed vis a vis the SACBM Qualification Criteria of which 103 (56%) qualified and 80 (44%) did not qualify. Those who qualified had at least 5 years experience within their respective areas with the Civil Aviation Authority/DGCA.
