

2023-24 Annual Work Plan – Training

High Priority (4 or more States)

1. FOI Initial/Recurrent course /Advance GSI OPS Note that this course includes the following topics:
 - AOC Certification
 - Oversight
 - Aircraft Leasing
 - Human Factors - CRM
 - EFB, EDTO, RNP, RVS, MNPS, LVO, PBN
 - Cabin Safety
 - MEL Approvals
2. Basic PEL Inspector (Initial)/GSI
3. Airworthiness Inspector (Initial) (GSI)
4. ANS Basic Inspector (Initial)
5. ANS - SAR
6. Aerodrome Certification and Oversight (and OJT)
7. SMS Implementation AIR
8. Root Cause Analysis/Safety Risk Assessments (OPS, AIR, AND and AGA)
9. English Language Proficiency – Interlocutor/Raters Course

Medium Priority (At least 3 States)

1. Aviation Medical Examiner Recurrent
2. ATO Certification
3. Aeronautical Study (AGA)/SRA
4. SMS Course – Initial
5. SSP Course
6. Resolution of Safety Concerns/Enforcement Course (Generic)
7. Audit Technique Course (Generic)
8. USOAP CMA (PQ) (Compliance)
9. Human Factors in Aviation (General)

Low Priority (At least 2 States)

1. Electronic Flight Bag (EFB) - OPS
2. Spec OPS (PBN, LVO, EDTO, RVSM, EFB, CATII/III, MNPS, RNP)
3. Cabin Safety Recurrent
4. Simulator Evaluation (OPS) course
5. Designated Monitoring Course
6. AIR - Spec Ops (EDTO, RVSM, CAT II/III, EFB,NAT)
7. Reliability Programme AIR
8. SAFA Ramp Inspections AIR
9. Oversight of Aircraft Leasing Operations AIR
10. A/C Modification, Alteration and Repair AIR
11. CNS
12. MET

13. AIS and Cartography
14. ATM
15. Aeronautical Study/SRA (ANS)
16. Human factors in ATM/ANS
17. PBN Oversight
18. Surveillance on ATCOs and Rating Training System of ANSP
19. ATM Incident Investigation Techniques
20. Aeronautical Study (AGA)/SRA
21. Wildlife Management
22. Annex 14 training (full Course)
23. SMS for ANS
24. SMS for AGA
25. SSP Implementation Assessment (SSPIA)
26. SPIs , SPTs and ALOSPs
27. Safety Data Collection and Processing Systems
28. Initial Accident Investigation Course
29. Human and Organization factor in Incident and Accident investigations
30. Safety Oversight Manager
31. OJT Instructor Course
32. QMS for ANS
33. Train the Trainer General

Other

1. Certification and Surveillance Oversight over small aeroplane operators(< 5700 kg) and helicopter operators
2. Aerial Operators
3. Designated Check Pilot Course
4. Designated Check Pilot Recurrent
5. PBN OPS
6. Aircraft lease approval
7. MEL OPS
8. Development and validation of written examination
9. UPRT Course
10. Dangerous Goods Initial
11. Dangerous Course Recurrent (may have OJT)
12. Para Gliding
13. PEL System Course
14. AIR Spec Ops (EDTO, RVSM, CAT II/III, EFB,NAT)
15. Part M
16. Human Factors for Maintenance
17. Approval of AMP
18. Approval of ATO (Maintenance)
19. Approval MRO
20. Approval CAMO
21. AIR Certification of UAV/RPAS
22. AIR Part 21, M, 145, 66 and 147

23. Fuel Tank Safety
24. MEL Approval - AIR
25. ANS Oversight (CNS, ATM, AIS, MET, SAR)
26. Airspace Management Course
27. Air Traffic Flow and Capacity Management training /workshop
28. PBN Airspace Design
29. PBN Operational Approval Course
30. RNP-AR - ANS
31. PinS Course
32. WWAM/ADS-B workshop
33. GNSS
34. RPAS for ATC
35. Flexible use of airspace course
36. Fatigue Management ANS
37. PANS OPS for ANS
38. SWIM Implementtion
39. PANS OPS initial ANS
40. Aerodrome Obstacles Evaluation course
41. Communication Procedures for Airside Operations
42. Aerodrome CNS engineering course
43. GRF Course
44. Aerodrome Visual Aids
45. Human Factors for AGA
46. Aerodrome Electrical System
47. Aerodrome Pavement Design and Management
48. Emergency Planning and Crisis Management
49. Executive SMS Part I
50. Executive SMS Part II/III
51. SMS – Train the Trainer (with OJT)
52. SMS for AGA
53. SMS refresher
54. Safety Data analysis
55. SDCPS
56. Audit Techniques for ANS
57. Audit Techniques for AIR
58. Advance Audit Technique AGA
59. Criminal Air Law for Aviation Professionals
60. Risk Based Surveillance
61. Safety Case Development and Review
62. Leadership and Management
63. Operational Hazard Identification and Risk Mitigation
64. NASP
65. Understanding Modern Spectrum Management Training
66. Aviation Data Driven Decision making

67. QMS Internal Auditors Course
68. FRMS
69. Safety oversight Managers
70. Air Cargo Safety Management
71. ATS Accident Investigation
